Fourth International Workshop on Content-Based Multimedia Indexing, CBMI 2005

June 21-23, 2005
Reval Hotel Latvija, Riga, Latvia

CBMI 2005 CALL FOR PAPERS

Following the three successful previous events of CBMI (Toulouse 1999, Brescia 2001 and Rennes 2003), *Tampere University of Technology* will organize the next CBMI event. CBMI'05 aims at bringing together the various communities involved in the different aspects of Content-Based Multimedia Indexing (audio, video and image processing, textual information retrieval, multimedia databases). The scientific program of CBMI'05 will include the presentation of invited plenary talks, special sessions as well as regular sessions with contributed research papers.

Selected papers will appear (after extension and peer-review) in a Special Issue of the journal *Multimedia Tools and Applications*. Topics of interest for submissions include, but are not limited to:

- Multimedia indexing and retrieval (image, audio, video, text)
- Multimedia content extraction
- Matching and similarity search
- Construction of high level indices
- Multi-modal and cross-modal indexing
- Representation models
- Content-based search techniques
- Multimedia data mining
- Presentation tools
- Meta-data compression and transformation
- Handling of very large scale multimedia database
- Organisation, summarisation and browsing of multimedia documents
- Applications

PAPER SUBMISSION

Prospective authors are invited to submit full papers of not more than eight (8) pages including results, figures and references. Papers will be accepted only by electronic submission through the conference web site: <http://cbmi05.cs.tut.fi/>. Style files (Latex and Word) are provided for the convenience of the authors.

Submission of full paper (to be received by):	February 18, 2005
Notification of acceptance:	March 31, 2005
Submission of camera-ready papers:	April 29, 2005

WORKSHOP VENUE

With the clear intention of opening the event to the new European countries, CBMI'05 will be held in Riga (Latvia) at the Reval Hotel Latvija: <http://www.revalhotels.com/eng/latvija/>
